### *President's Report*

I erred in typing my last report too early and not remembering to wish you all the best for the coming Christmas and New Year. So I wish you this now, belated but still most sincere and I hope everyone is in fair health. Another error that I made was not including in my report that I had the honour and privilege to present the long overdue framed certificates of Honourary Life Memberships in the Manitoba Branch of the HKVA to the members of our colour party (Tim Klumper, Stan & Vince Lopata, Don Thomson and our piper Craig Munnoch) at the August 15<sup>th</sup> VJ Day service hosted by our HKVCA at All Saints Church.

October 21<sup>st</sup> accompanied by Juliet, we were at the unveiling of the Canadian 25 cent piece depicting the red poppy. The Royal Canadian Mint assisted by Manitoba/NW Ontario Command of the Royal Canadian Legion at Minto Armouries to honour all past and present veterans hosted the event. It's unfortunate that the colour tends to fade quickly when the coins are handled.

October 23<sup>rd</sup> - our **59<sup>th</sup> Annual Reunion Dinner** was a huge success with thanks to Juliet and her willing helpers. It was gratifying for me to greet 9 of our HKVA members. I hope you all will try to attend our **60<sup>th</sup> Reunion** in October as Juliet is working to make this a very special occasion.

November 2<sup>nd</sup> I received a phone call at 9:30 am requesting my attendance for a meeting at 1 pm to discuss the unveiling of the Manitoba veteran's license plate, which took place at St James Legion RCL at 10 am November 5<sup>th</sup>. I attended both meetings. At the latter meeting, Bob Lytle was there and Vince Lopata paraded our colours. Any veteran who wants a license plate may obtain a form from any legion branch; fill it out, enclose \$5.00 and a copy of your discharge papers and mail to: Manitoba N.W. Ontario Command, 563 St Annes Rd, Winnipeg R2M 3L6. Also on November 5<sup>th</sup>, Juliet and I attended the War Amps Annual dinner, which was very enjoyable.

St Luke's Anglican Church rededicated their refurbished Memorial to the WWI 100<sup>th</sup> Battalion Winnipeg Grenadiers on November 7<sup>th</sup>. Our Colour Party, the Winnipeg Grenadier Cadet Corps Colour Party, with several cadets along with Juliet and I attended this service.

November 20<sup>th</sup> we attended our Commemorative meeting and November 24<sup>th</sup> I met with the Joint Veterans Council of Manitoba (JVCM) to review the Remembrance Day service for any needed changes.

November 28<sup>th</sup> our Memorial Committee held a meeting and we are still waiting to meet with City Council.

December 5<sup>th</sup> the Winnipeg Grenadier Cadet Corp held their Annual Battle of Hong Kong Memorial Parade. Carol set up a display, the Colour Party was in attendance and I had the honour of performing the duties of reviewing officer. Juliet arranged for donuts and coffee (that was paid by our Branch) to be served in the Officers' Mess after the parade.

December 17<sup>th</sup> Vince Lopata, Neil Bardal and Garry Hilderman were well received when they presented the proposal of the interpretive centre monument to the Last Post Fund members. I was in attendance to answer questions.

January 9<sup>th</sup> the Monument Committee held a meeting - still no word from the City. I mailed a letter to Carol asking her to form a sub committee of the HKVCA to look into the feasibility of erecting a monument in Ottawa.

January 15<sup>th</sup> I attended the Commemorative meeting. Juliet phoned to inform me of the passing of Cde Garfield Lowe, January 17<sup>th</sup> and on January 20<sup>th</sup> Carol phoned to tell me John Pollock passed away. Then on January 25<sup>th</sup> we were informed of Chick Query's passing. These three comrades will be greatly missed, may they rest in peace.

January 20<sup>th</sup> I, along with members of the Joint Veterans Council Manitoba (JVCM), attended a parade of Air Force cadets at Radisson School. I had the honour to present framed certificates to seven cadets, thanking them for services rendered.

January 23<sup>rd</sup> Juliet, Stan & Vince Lopata, Craig Munnoch and his wife and myself attended a luncheon meeting honouring Sir William Stephenson, spymaster of WWII. Sir William, known as Intrepid, was born in Winnipeg and became the head of British Intelligence under Sir Winston Churchill. The main speaker at the meeting was terrorism expert, Peter St John, a retired University of Manitoba professor. Craig piped the professor to the podium.

February 1<sup>st</sup> I attended a meeting with JVCM at Rockwood Branch ANA vets - the topic of discussion was upcoming parades. Following the meeting I flew to Edmonton to attend the Prairie Advisory Council to VAC on February 2<sup>nd</sup>. We had an excellent meeting with discussions on the VIP program for the widows and if anyone has any concerns with them please call

me at 256-7174. VAC paid for my room for 2 nights and I paid for my flight and meals.

February 4<sup>th</sup> I attended another meeting at JVC at Rockwood to discuss the May 8<sup>th</sup> parade for VE day at the Legislative Grounds at 0930. There will be a proclamation read giving the key of the province to the veterans. The parade will be similar to the D Day parade with vehicles for the vets to ride in.

February 10<sup>th</sup> I was presented with a birthday cake, to my surprise, at the monthly luncheon. A Big thank you to Juliet for arranging the surprise and everyone in attendance for the cake and card.

As this is the **Year of the Veteran** there will be some special events happening – one event is the special 60<sup>th</sup> Anniversary pin that VAC have produced. I have ordered some for our members.

I regret that I will not be at the next HKVCA meeting February 19<sup>th</sup> as a 97-year-old friend past away and I will be attending the memorial service. I have known this lady for 77 or 78 years.

On February 26 I will be attending a lunch with the Minister of VAC who will be presenting commendations to 3 Manitoba veterans – **John Gillis**, Korean Veterans; **Leonard Johansson**, Last Post Fund and from Brandon, posthumously, **Albert W. McKaig**.

Once again I wish you a smooth road to travel with the wind always at your back and the best of health to everyone.

In Comradeship and sincerity

George N. Peterson.

### ***Hong Kong Veterans' Commemorative Association***

Hello to one and all, I am hoping you are all having a good 2005 thus far.

As this is the year of 60th anniversary for our veterans, there are many things happening around the country. Here in Manitoba we are still planning to have our VJ Day Aug 21 2005 and our Reunion Oct 22nd 2005.

We have lost several of our Veterans in the last few months Garfield Lowe, John Pollock, Edward (Chic) Query. As I sit and look at the Honour Roll of the ones we have lost in the last year, I ask myself what are we doing to keep the memory of "C Force" alive. The Monument committee have been meeting and have progressed quite well to date. They need your help and suggestions so please contact me and I will take your thoughts to the meetings.

George Peterson and I will be very busy this spring and summer attending parades and official functions. By the way George just celebrated his 84th birthday on Feb.8th.

We are planning on having another Tea & Tidbits for the Ladies on May 7<sup>th</sup> 1-4 pm. You will be sent notices with the date, time and place. The last two gatherings were great and hopefully more of you will be able to attend this event.

Phyllis Downie has begun the responsibilities of the museum project and will ensure that all Hong Kong Veterans memorabilia will be identified. Thanks Phyllis.

Judy Preston has notified me that her mom Helen Prieston is healing after her 2nd knee surgery. Keep up the good work Helen; we hope to see you soon. Sheila Lowe called to say that there were a few veterans who attended her father's service and she appreciated it. She said the internment will be in the spring.

Thank you to everyone who keeps me informed I like to pass on the information to the rest of the H.K.V.A & H.K.V.C.A. family. Bye for now, keep well and God bless.

Juliet Lafortune, 338-3354 or 294-9335

### ***Notes from Barry Mitchell***

#### ***Treasurer & Membership***

Greetings to all HKVA members as well as those in the Commemorative Association. Manitoba has had a tough winter but we still hold out a warm welcome to our friends and comrades.

As I'm sure you are aware, this Treasurer is *always* looking for a few bucks to put in the HK bank account, so I'm asking that you check your purse or wallet and see if you can find a current HK membership card. If you can't, pick up your chequebook and quickly send me \$15.00 so that your conscience will be clear. It's a painless process believe me! I am still looking for 20 or so dues from 2004 on the Commemorative side, and you know who you are because I sent you a reminder. But for everyone, 2005 is upon us and I would really like to send out a whole bunch of membership cards with a shiny new decal. Everyone

pays the same and the address remains as P.O. Box 381, Winnipeg, MB R3C 2H6. Thank you in advance!

Are you looking forward to the convention in Ottawa? I know I am. Santa Claus gave me a HUGE suitcase for Christmas, so maybe this is a hint that I should arrange for a lengthy stay in Ottawa and vicinity. On the other hand, maybe I'm supposed to take a ton of merchandise to sell on behalf of the Manitoba Region, as is usually the case in all functions I attend. Perhaps a bit of both is in order—stay a little longer and sell a few goodies while I'm there.

Speaking of selling, all Regions have the opportunity of spreading our message through the sale of books. We have increased our inventory considerably in the last few months and now have hundreds of copies of “One Soldier’s Story” (\$20.00) and “No Reason Why “ (\$37.00), two excellent accounts of the Defence of Hong Kong. You can order your copy now by dropping me a note at P.O. Box 381 in Winnipeg R3C 2H6. By the way, shipping is extra, so please add \$7.00 for postage.

We received a really nice note from **Olive Peat** in **Kindersley, SK**, along with dues for herself and husband **David**. Olive is the sister of **Cliff & Alf Matthews** of **Winnipeg** and the late **Charlie Matthews**. Olive tells the story of how she went to the train station in Calgary to try and greet Cliff and Alf when they were on their way to Hong Kong from Winnipeg, but missed them on what she describes as one of the saddest days of her life. However, she joined the Service herself and the two brothers were able to greet her when she returned to Winnipeg from overseas duty at the end of the war. And all three are with us today.

As usual, **Pearl MacPherson** of **Richmond, BC**, sent us a warm note when renewing the family’s memberships. I think it’s great that our members want to keep in touch and remain well informed of local events after they move away from their home Province. Welcome back to the MacPhersons. I was also gratified to receive a note from **Tom Dewar** of **Winnipeg**, one of the vets I got to know a little as a regular attendee at the monthly lunches here in Winnipeg. Tom doesn’t get out as much as he used to and when he does, he tells me his diet is restricted, so the luncheons just aren’t what they used to be. However, he still manages to get out and about a little bit with the use of a cane and walker. Thanks so much for the note, Tom!

Once again, I am impressed with the orderly fashion in which the **Sinclair Family** of **St. Andrews, MB** takes care of their business. We received a neat envelope containing the annual dues for **Mary, Thomas, Cheryl and Karen** and even a little extra to help us with our work. Well done and thank you!! Next we heard from way out on the West Coast from another former luncheon regular, **Harry Gyselman** in **Comox, BC**. Harry likes to call it “Bananaland” and yes, we know it as “the land of nuts and fruits”. Thanks for keeping in touch. Finally, we have a note to remind us of the small role we played in bringing a smile to the face of **Wilma Thom**, here in **Winnipeg**. Her good friend **Debbie Winterburn** looked us up as a possible source of an HK item that would serve as a gift to Wilma. This thoughtful gesture was greatly appreciated

by Wilma and the smile arrived at a time when she needed it. Good work Debbie, and thanks for the note.

Our appreciation to those who have sent in their dues as well as to those who have taken advantage of the opportunity to purchase quality merchandise. We would like to make some good headway on the memberships, so if that’s a chore you haven’t yet taken care of, make a note to yourself to send us a cheque. Thanks for keeping in touch with your organization; we love to hear from you.

Cheers to all

Barry Mitchell

## THE ‘C’ FORCE MEMORIAL PROJECT

The establishment of a memorial to the men and women of ‘C’ Force, the Canadian Army Brigade that fought at the Battle of Hong Kong has been in the back of minds of veterans, family members and friends for years. At the Victoria 2003 Convention of the Hong Kong Veterans Association, a motion was passed authorizing a study to be carried out and recommendations put forward for such a memorial. The motion had set the criteria for the type of memorial to be established:

- a. *to determine the focus of the Memorial as desired by the HKVA membership*
  - *strictly military presentation*
  - *to include the historical aspect*
  - *to give individual recognition, etc.*
- b. *to seek alternative designs and potential locations, and*
- c. *to prepare feasibility report on the choicest options.*

The motion is very restrictive, based on “to include the historical aspect” and “to give individual recognition”. These two criteria presented a challenge to the committee as to what was the best design for such a memorial. It was apparent that a traditional memorial such as a statue or cairn would not meet the criteria. A statue or cairn presents a great many difficulties for telling the historical aspect. The story of ‘C’ Force is too big and complex for a statue or cairn type structure. The other drawback for a statue or cairn was the requirement for individual recognition. Canadian tradition allows only those that were killed in action, missing in action and who died as prisoners of war to be placed on statues or cairns. Therefore the inclusion of all 1977 individuals of “C” Force could not be placed on a statue or cairn. The committee concluded the best memorial to meet all the criteria would be an Interpretative Centre.

The location for the memorial presented many difficulties for a number of reasons. The reasons that weighed heavily on the committee’s final decision were:

- a. timeline for completion (target for completion is set for summer 2007)
- b. cost
- c. availability of land, and
- d. public awareness

Initially the HKVA proposed erecting two statue-type monuments, one in the Quebec Eastern townships area (home area for the Royal Rifles of Canada) and one in Winnipeg (the home of the Winnipeg Grenadiers). The Royal Rifles group stated that they would not support the erection of a monument in Quebec. Their recommendation was a monument in Ottawa.

Many members of the HKVA and HKVCA suggested Ottawa as the place to erect a 'C' Force memorial. The committee investigated this suggestion based on the above criteria. At first glance Ottawa would appear to be an ideal location. It is capital of the country. The National War Memorial, The War Museum and many other places of national importance attract many visitors annually. The committee contacted people responsible for the National Capital Region providing information on the type of structure being considered and asking questions related to the above reasons. The response received was that Ottawa would not be an ideal location for the memorial. Public awareness and potential for visitors to the memorial would be extremely low. Attractions such as The House of Parliament, The War Museum, The National Art Gallery, The Museum of Man and Civilization draw thousands of tourists each year and would take away from any 'C' Force memorial located there. The cost of the project would be considerably higher because of various permits, purchase of land and generally doing business in the region. The National Capital Commission restricts the use of suitable land in the region. The type of memorial being proposed would present additional difficulties because of parking requiring additional land. Because of the bureaucratic procedures for such a project the timeline would be lengthened considerably resulting in an undesirable delay if a reasonable number of veterans were to participate in the opening of the memorial. Because of the above reasons the committee rejected Ottawa as a location for the memorial.

Because the original suggestion from the HKVA was for a memorial in Quebec and Manitoba, the committee investigated locations in Manitoba primarily in Winnipeg. Other reasons for considering Winnipeg were that one of the largest contingents (853 personnel) came from Winnipeg and the surrounding area. Winnipeg is also the geographic centre of the Canada and is easily accessible from all parts of the country. Land is available adjacent to the largest military cemetery in Canada that contains the largest number of 'C' Force members in a group outside of Sai Wan and Yokohama cemeteries. There also are potential partnerships with other local veterans organizations, Regimental associations and the City of Winnipeg in the development of the grounds and interpretative centre reducing the cost and making it potentially increasing public awareness..

Brookside Cemetery was been chosen as the optimum development site because it had land available. The proposed land is adjacent to one of Canada's oldest and largest military cemeteries. This would complement both the military cemetery as well as memorial. The site is close to the centre of Winnipeg and the Winnipeg International Airport. The quality of

**Box 381 Winnipeg, MB R3C 2H6 Address for dues and/or correspondence for HKVA and HKVCA**

Website [www.hkvca.ca](http://www.hkvca.ca)

the existing site features can be incorporated to compliment the centre. There is water, vegetation and room for expansion at the chosen site. Future development with footpaths along Omand's Creek for all season activities would bring potential visitors to the centre.

This is the first instalment on the Establishment of a 'C' Force Memorial. I would recommend visiting the Hong Kong Veterans Commemorative Association Monument Discussion Group website for more details. In the next newsletter a description of the Memorial / Interpretative Centre will be given. Also at the Convention this summer, people will be given a presentation on the project as well as have access to various databases such as the Personnel that provides details of each soldier from the time they left their home base to their return home. This database will become an integral part of the project when complete.

HKVA 'C' Force Memorial Project

### *From the Editor*

Wow! Convention time will soon be upon us. **Ontario Region** has invested much time and effort to make this special **60<sup>th</sup> Anniversary**, one to be remembered. VAC has been very generous with their involvement and assistance in the planning of this Convention. This is the **Year of the Veteran** and our vets, who are special to us always, will receive higher esteem in this unique year. You will know all the details soon as the packages are being prepared and will soon be mailed to you. Please start your plans to attend the Convention to be held in Ottawa, August 12 – 14, 2005. You won't want to miss it.

**!!!**

Biannually we hold our **HKVCA National elections** – this year is the same. The election information and the Call for Nominations will be in the mail soon. Please give this your immediate attention.

**!!!**

In previous articles we have reported that on special occasions we have prepared certificates that have been presented to communities where many of our 'C' Force members have lived. We would like to continue this project to recognise the men and the towns from which they came. Please contact us with information that we may do the same in your area. So far the certificates have been placed in the town's Legion hall but community clubs or schools would also be appropriate.

**!!!**

**John Pollock** passed away on January 20<sup>th</sup> on his 85<sup>th</sup> birthday. We will be holding a brief graveside service at Brookside Cemetery on March 10 at 11 am with the assistance of Neil Bardal Inc. and our padre, Rev Gordon Shields. We will marshal at 10:45 am at 3030 Notre Dame Ave and proceed together to the site.

**! ! !**

**From Ontario Region** - The purpose of this message is to ask for your feedback on a possible trip to Hong Kong later this year.

Many of the HKVCA had hoped that a government-funded pilgrimage to Hong Kong would

take place towards the end of the year. However, as you may be aware, our HK Vets were given a choice by Veterans Affairs Canada (VAC) of either a pilgrimage, or having the funds that VAC would have spent on a pilgrimage applied towards our National Convention in Ottawa. The Vets' choice, primarily due to health and related concerns over travel, was to have VAC apply the funds to the National Convention. Therefore, no government-funded pilgrimage will take place.

Nonetheless, several of our members - both Vet and non-Vet - have asked about whether a trip to Hong Kong is still a possibility. There appears to be interest in somehow marking the 60<sup>th</sup> anniversary of the Vets' release from the prison camps and doing so in Hong Kong. This would be an excellent opportunity for family members to actually see where the Battle of Hong Kong took place, to stand where their relatives were killed or captured, to visit the graves of those left behind, and to hold a service to commemorate the Battle and imprisonment.

Such a trip would have to be self-funded, as no funding would be provided by VAC.

We are looking into the possibility of organizing a trip. But in order to negotiate with a travel agent we need an indication of how many people would be interested in making the trip. We also need feedback on the itinerary to help plan the event.

Would you please respond to the email indicating whether you would be interested in such a trip, and if so, how many from your family would go? Of course, this is entirely non-binding. We are only looking for approximate numbers at the moment. We would like to hear about both Vet and non-Vets.

Here is a little information to help you:

Expected cost per person: approximately \$3,000 to \$4,000.

- Includes: airfare, hotel, breakfast and dinner daily, ground transportation and tour guides in Hong Kong.
- approximate duration: 10 days (including travel days).
- Date: approximately Nov. 30 to Dec. 9, 2005. Dates chosen to overlap with Canadian commemorative ceremony to be held at Sai Wan Cemetery on Dec. 4 and anniversary of commencement of Battle of Hong Kong.

We would also like to have any suggestions you may have regarding the itinerary. For example, should a visit to Japan be included?

Please reply as soon as possible to Mike Babin at [msbabin@sympatico.ca](mailto:msbabin@sympatico.ca) or to the editor PO Box 381 Winnipeg, MB, R3C 2H6. Thanks in advance for your feedback.

**Pam Heinrichs** (daughter of **Fred Poitras**) has informed me that the Leaders and Brownies with the 249<sup>th</sup> Girl Guides made 38 special valentines for the veterans on the 5<sup>th</sup> floor in the Tower at Deer Lodge. This is the floor that Fred resides on and Pam delivered the valentines ahead so that they could be given to the vets on Valentine's morning. What a nice surprise!

Speaking of Deer Lodge – they have wonderful volunteers and a variety of programs to interest the residents. Our Regional Director **Juliet Lafortune** has been asked to sing for the veterans once a month.

The Manitoba **HKVCA Education Committee** continues to support the use of the 10 Lessons curriculum to be used in our schools. We will be working with the MB School Divisions to supply resources to supplement the lessons to aid the teachers. We will have a display at the River East School Heritage Days and possibly doing a workshop for the students. A certificate and donation will be made to the best display in Canadian History.

Recently we learned that the **Atlantic Region** has succeeded to have the 10 Lessons curriculum included in New Brunswick schools. **Ontario Region** are working toward translating the curriculum for use in the French Immersion schools – hopefully that will be soon. This will certainly bring awareness to our Hong Kong veterans.

### BOOKS!

**“No Reason Why”** by **Carl Vincent** - this book is out of print now, however the Commemorative have purchased some publishers copies. Take advantage of this great opportunity - cost of the book is \$37.00 + postage. Make cheque payable to HKVCA and send your request to our address below for prompt service from **Barry's Emporium**.

The owner of a gasoline station in Tattnell County, Georgia was trying to increase his sales, so he put up a billboard showing "FREE SEX WITH FILL-UP!" Soon a local young man, Jim filled his tank, and then asked for his free sex. The owner told him "pick a number from 1 to 10; if you pick the right number, you will get your free sex." Jim picked the number 8, and the gas station owner said, "You were close. The number was 7. Sorry, no sex this time." A week later Jim, along with his buddy Bill, pulled into the station. Jim filled his gas tank, and again asked for his free sex. The station owner gave him the same story again, and asked him to guess a number. This time, Jim guessed 2.

The station owner said, "Sorry, the correct number was 3. You were close, but no free sex this time."

As they were driving away from the gasoline station, Jim said to Bill, "I think that game is rigged, and he doesn't really give away free sex."

Bill replied, "No it ain't rigged Jim. My wife won twice last week."

A successful rancher died and left everything to his devoted wife. She was a very good-looking woman, and determined to keep the ranch, but knew very little about ranching, so she decided to place an ad in the newspaper for a ranch hand. Two men applied for the job. One was gay and the other a drunk. She thought long and hard about it, and when no one else applied, she decided to hire the gay guy, figuring it would be safer to have him around the house than the drunk.

He proved to be a hard worker who put in long hours every day and knew a lot about ranching. For weeks, the two of them worked, and the ranch was doing very well. Then one day, the rancher's widow said to the hired hand, "you have done a really good job, and the ranch looks great. You should go into town and kick up your heels."

The hired hand readily agreed and went into town that Saturday night. One o'clock came, however, and he didn't return. Two o'clock, and no hired hand. He returned around two-thirty, and upon entering the room, he found the rancher's widow sitting by the fireplace with a glass of wine, waiting for him. She quietly called him over. "Unbutton my blouse and take it off," she said. Trembling, he did as she directed. "now take off my boots." He did as she asked, ever so slowly. "Now take off my socks." He removed each gently, and placed them neatly by her boots. "Now, take off my skirt." He slowly unbuttoned it, constantly watching her eyes in the firelight. "Now, take off my bra." Again, with trembling hands, he did as he was told and dropped it to the floor. "Now, she said, "take off my panties". By the light of the fire, he slowly pulled them down and off. Then she looked at him and said, "If you ever wear my clothes into town again, you're fired."

On a golf tour in Ireland, Tiger Woods drives his BMW into a petrol station in a remote part of the Irish countryside. The pump attendant, who obviously knows nothing about golf and completely unaware of Tiger's identity, greets him in a typical Irish manner.

"Top of the mornin' to ya, sir," says the attendant.

Tiger, who is familiar with Irish custom, responds with, "And the rest of the day to you, sir!" He gives a quick nod and bends forward to pick up the nozzle of the gasoline hose. As he does so, two golf tees fall out of his shirt pocket onto the ground.

"What are those?" asks the attendant.

"They're called tees," replies Tiger.

"And what on the good earth are they fer?" inquires the Irishman.

"They're for resting my balls on when I'm driving," says Tiger.

"Holy Jaysus," says the Irishman, "BMW thinks of everything!"
